## Studding Fees

Description	Qty	£
Ram Lambs £10		
Ewe Lambs £2		
Retags £2		
<b>TOTAL</b>		£
<b>Cheque Enclosed</b>		

## Notes for Registration Document

**Studding Venue;** e.g. a nominated show, home, or attending a new market venue (in the future refer to the newsletter or website for more details).

**Inspection Required;** Would the breeder prefer an Autumn inspection as is traditional or a Spring inspection to be carried out up to 1<sup>st</sup> April in the year following birth.

**Next Sequential Number;** This is made up from your Flock Name, with your first ram lamb registered as number 1, e.g. Chaddle No 1. Therefore, your next ram studded in the future would be Chaddle No. 2.

**Sire/Dam Stud Number;** From the DM ear stud number.

**Sire/Dam UK Number;** From the UK ear tag (this is essential for any sheep registered in 2008 or 2009 as they will have no DM number).

**Flock Details;** Number of all registered sheep in flock as at 30<sup>th</sup> June.

**Note;** If you have no sheep to register this year, we still need flock details submitting to check the accuracy of our data.

**Important Note;** Forms must be returned by the closing date of 30<sup>th</sup> June in each year for the flock entries to be made in the flock book.
